    - Typical week. Please wait to read the week's commentary the Friday immediately after class. So tomorrow we will be reading the commentary on page 1.     - How each lesson works:
      - Don't read the lesson's commentary until after class.

- Read commentary on Friday, Day 1 is Saturday, etc.
- Share answers even if you are unsure about them. We learn from each other's insights.
- Use your favorite translation. A paraphrased version may be difficult to use when answering questions. Lessons use the ESV version.
- Answer questions before reading commentary
- If you don't read the scripture nor do the questions, then join us for class, but don't offer input?
- Describe fellowship times.
- Safe place. Prayer requests stay in the group. Ask if we can share with the servants team??
- Questions?
- Close with prayer
