Notices (e)

Unless otherwise stated, any notice required under this trust will be in writing. The notice may be personally delivered with proof of delivery to the party requiring notice and will be effective on the date personally delivered. Notice may also be mailed, postage prepaid, by certified mail with return receipt requested to the last known address of the party requiring notice. Mailed notice is effective on the date of the return receipt. If a party giving notice does not receive the return receipt but has proof that he or she mailed the notice, notice will be effective on the date it would normally have been received via certified mail. If the party requiring notice is a minor or incapacitated individual, notice will be given to the parent or Legal Representative.

Severability (f)

The invalidity or unenforceability of any provision of this trust does not affect the validity or enforceability of any other provision of this trust. If a court of competent jurisdiction determines that any provision is invalid, the remaining provisions of this trust are to be interpreted as if the invalid provision had never been included.
